Archangel Cassiel is the Angel who watches over all those born on Saturday. He is known as the Angel of Temperance. His enlightened energy inspires us to think on a higher level and helps create happenings. In times of need call out to him and he will be there faster than the speed of light. Archangel of Mind Expansion, Memory, and Genius. The angel of solitudes and tears who "shews forth the unity of the eternal kingdom".

The Archangel of solitudes and tears who "shews forth the unity of the eternal kingdom". AA Cassiel is one of the rulers of the planet Saturn and is also the ruling prince of the seventh heaven. AA Cassiel is the ruling prince of the seventh heaven. The Seventh Heaven, Araboth, is the holiest of the holy heavens. It is also home to the highest orders of angels - the Seraphim, Cherubim, and Thrones. Message from AA Cassiel

Archangel Cassiel brings rays of light and shade for in life there is always duality: Happiness - sadness, laughter - tears, positive and negative. Without one the other cannot be fully appreciated and Archangel Cassiel reminds us that by determination you can convert challenge to opportunity and it is possible to transform the darkness into light. From suffering comes either bitterness to constrict the soul, or love and compassion to bring about its expansion towards serenity.

Passing this attunement on

You can pass this attunement on in several ways. You can use:

- Chi Ball method
- Higher Self method or
- Moment Method

I normally use the Higher Self Attunement Method to pass on this attunement, but you can use the method from Andy - making a statement of intent. That makes the Link a bit more like the Lightarian™ AngelLinks.

Statement of Intent

I ask the Source, all the Angels, all the Archangels, all the Ascended Masters, all Beings of Light, my Higher Self and my Guides to help me send this attunement to Jane Doe.

I ask for the guidance, support and acknowledgement from [Archangel Cassiel](#).

I ask that the attunement be wrapped in love and healing energies, that Jane Doe will be able to connect with and feel the energy and that it is able to be called whenever needed by Jane Doe.

I ask [Archangel Cassiel](#) together with the other Archangels and Ascended Masters to help me join with Jane Doe on the heart level through a cord of golden yellow from my heart to his heart.

“I now send the attunement with the help of [Archangel Cassiel](#) together with the other Archangels and Ascended Masters to Master level for the LightWorker [Cassiel](#) Archangelic Link to Jane Doe as a divine, glad gift of spirit for healing and spiritual growth.

Thank you - thank you - thank you.”

I ask my Higher Self to finish the attunement with the help of the Archangels and Ascended Masters making sure the energy sent is to the highest level that can be received and that it is pure and sent with love! That it is for Jane Doe greatest good and my own greatest good.

Thank you - thank you - thank you.

After this attunement is completed I ask Archangel Michael to help me by cutting the cord between my heart and the heart of Jane Doe.

“I bless you and release you from my psychic space”

I ask the Archangels and the Ascended Masters, my own Higher Self and the Higher Self of Jane Doe to clear our energy fields to be sure only our own energy is running in them.

Thank you - thank you - thank you.
