## Eloa Attunement (LW™ Series)

We have had El\* as our LightWorker™ system house artist for some time, before we knew that she had also made "writeups" for most of her beautiful paintings. Those *writeups* could easily be transformed to manuals, and the contact could equally easily be transformed to attunements. So now El\* has made her attunements available for us along with these manuals. El\* has a very different writing style, filled with a lot of light. I am sure that you will enjoy her attunements as well as her artwork.

All colour and design work is given to El\* in the form of claircognisance. She is then told step by step - what to do and which colours to use. El\* has a picture in her mind's eye. Often she will revisit some work, which she has already completed and see coded information not previously consciously noted by her. This is the way El\* works - she does not necessarily grasp All at once - it is an ever evolving process for us all. The LightWorker™ manuals normally contain some nice pictures, but these series bring to you an extra dimension to the attunements, because they are enhanced through this inspired artwork. They are all provided **free of cost** and placed as a part of the ...

# Angel Eloa .... Born of a Tear of Jesus

(an angel of Compassion, empathy and Light\* \*\*)

I am shining my light towards you.... you may see me as a bright light in the night sky..... or a shimmering of metallic blue, gold, or purple... within your peripheral vision, when you least expect it.....

I am a shining one.... come to tell you how blessed and truly loved you are..... throughout dimension and beyond space and time..... My closed eyes remind you to look within... to that sacred space where the God within resides.... All knowledge is here for you.....

Allow yourself calm, tranquility..... the quiet contemplation of self seeking soul..... Maintaining this space at appropriate times during the day will revitalise you at a core level... Bringing a sense of Peace and Unconditional Love from this sacred space... upward to the light of day and into your conscious mind, and your environment.... will reap great benefits for all.....

By helping yourself in this medative way, you are blessing yourself and others..... You are bringing the joy and grace of higher consciousness into being...in this the third dimension..... Many Great brings of Great Light are shining their higher consciousness streams towards earth and all who reside here..... There is much Joy and Love.... this is to bring balance to the turmoil you may be perceiving at this present moment.... Know there is a Higher Purpose to all... and that the human mind cannot see the entirety of this Great Plan.... You can however choose to accept that there is indeed a Higher purpose and embrace it.... By doing this as we have said in so many ways to so many.... You are benefitting all.....

Life is a great journey..... we have such wonder and awe in even the simplest of things.... the scent of flowers....watching a sunrise or sunset.... seeing the sunbeams ripple on the waters....

These are all blessings to us from the creator..... Nature, God Manifest, is there to inspire and guide us....We ask you to spend time in nature.... be energised and guided by the natural force.... The sun, clean water and the mineral kingdom hold much healing for you....

**I AM ELOA: I AM A FEMININE ASPECT** (it is said I am born of a tear that Jesus shed) I have great Compassion and Empathy for All....

Call on me as you look upon my image..... Know you are bathed in our love and light\* \* \*

NAMASTE.....  
EI\*
