Lady Nada Attunement LightWorker™ Series

Manual by Eileen "El" Brooks

Lady Nada Attunement (LW™ Series)

We have had El* as our LightWorker™ system house artist for some time, before we knew that she had also made "writeups" for most of her beautiful paintings. Those *writeups* could easily be transformed to manuals, and the contact could equally easily be transformed to attunements. So now El* has made her attunements available for us along with these manuals. El* has a very different writing style, filled with a lot of light. I am sure that you will enjoy her attunements as well as her artwork.

All colour and design work is given to El* in the form of claircognisance. She is then told step by step - what to do and which colours to use. El* has a picture in her mind's eye. Often she will revisit some work, which she has already completed and see coded information not previously consciously noted by her. This is the way El* works - she does not necessarily grasp All at once - it is an ever evolving process for us all. The LightWorker™ manuals normally contain some nice pictures, but these series bring to you an extra dimension to the attunements, because they are enhanced through this inspired artwork. They are all provided **free of cost** and placed as a part of the ...

Lady Nada....

Ascended Master, Lady Nada, Chohan of the 6th Ray, the purple and gold ray, and ruby ray of peace, service and brotherhood...

Being the Feminine Aspect of Sananda (Sananda Kumara is best known for his incarnation as Jesus)... she has shared many incarnations in this office... It is noted that she is also playing a role in bringing the 8th and 9th Rays to the Earthplane at this point in time.... and is in fact the Chohan of the 9th Ray.... (the 8th Ray is the Ray of green/violet.... a cleansing ray... enabling us to clean away the old patterns of thinking and behavior that no longer serve our Higher Purpose.... the 9th Ray is the green/blue ray of Joy and Potential, which is also cleansing... yet at a higher level of being.... making way for ascension.... and the opening up for receiving even more higher aspects of Godself....

The word Nada means "voice of silence" and also a reseeded of the personality giving rise to the "Christ self"....

Her symbol is a pink rose.... when you see such a rose... be reminded of the unconditional love this master and indeed the very Cosmos has for you....

Love has many forms.... universally speaking, its highest form being that of Divine Unconditional Love...Knowing this, your love is felt and radiated outward to all who love you.... on both sides of the veil....

We draw from experience... of ourselves.... be your own gentle and loving inner teacher.... Give yourself the respect and love that is coming to you, from your higher and soul selves... from us on the etheric planes.... and the eternal God within....

Love transcends the self.... Bring love to all aspects of your being... understand the energies of the ego as "students" and the higher energies of "soul" as teachers... There is much joy of learning, and in turn living what is being shown...

You have experienced the heights and depths of profound love.... This love acts as a bridge for all.... Energy changes form and vibration.... Love conquers all....

I am Nada.... wishing you peace.... love.... and acknowledging your service ... helping others is the greater gift of healing the self....

As well as holding Divine Love for Humanity.... lady Nada oversees an etheric retreat which is in the etheric realms over the Lake of Titicaca in Peru.... Here she is assisted by a number of other Feminine Energies..... Masters like Lady Mary, Quan Yin, Pallas Athene, Lady Portia and Lady Venus..... Together, these Masterful Feminine Energies bring in a Balance to the Masculine Energies all ready residing within the planet....

At this point in our Evolution it is essential for us to find a balance between these polarities, the Feminine and Masculine.... This starts of course.... with the self... within our relationships with self and others and within the planetary energies themselves..... Finding this balance within.... enabling self and others to take action and claim this balanced state.... will enable the Divine Virtues of Peace.... Unconditional Love.... Harmony.... Higher Consciousness..... Healing on all levels including the subatomic and cellular... and many other Virtues... to Anchor within ourselves and in turn, anchor within the Earth Plane....

Lady Nada is here to guide us in this quest.... She is readily available to those who seek her for guidance in innumerable ways and encompassing many levels of being/existence..... She helps us to open our Hearts... at a higher level.... to open up to the wonder of the Higher Planes of existence and the Flow of Divine Feminine..... Creation..... All Loving...

During the Atlantian Period... Lady Nada served as a Priestess in the Temple of Love... She has had many incarnations.... the common theme amongst them has been to teach unconditional love..... Loving the Creator in this way.... and self/others..... also the open the heart chakra and fan the eternal pink flame of unconditional love within its higher aspects.....

She guides us in a way that opens the path of love towards ourself.... Showing us that all love stems from this love of self.... indeed.... it is by loving ourselves and accepting ourselves... that we may truly love and accept others... We can begin to understand this unconditional aspect of love with Lady Nada's guidance and help....

Every part of creation has a Divine Blueprint..... A perfection of self..... Lady Nada helps us to comprehend this Blueprint... and know we are Perfect in this form.... she leads us back from where we have separated and strayed... Bringing us back to the Knowledge within that brings us into alignment with ALL.... taking our part up again as belonging together.... being in peace and harmony... working together co-operatively for the Highest Good of All.... being as one.... this is a profound realisation and one that blesses us greatly..... at a level of the Self going far beyond the everyday consciousness.... Illuminating and radiating our very Core-Beings.....

There is such great love coming to us from the wonderful Master.... Such radiance.... one cannot help being swept up within this golden pink embrace.... Nada reminds us that Love conquers all.... Fear is the gateway for many negativities..... for lowering of energies.... Looking to Love, in its unconditional form is the way we will transcend all fears and open the Gates wide for the Great Levels of the Divine to make their way in....

Love is the rhythm and the embrace of all Life Forms....It is the greatest balm and cure all....

Working with the Mineral Kingdom we can use Topaz, Ruby, Diamond, Pearl and Alexandrite to bring more clarity to our connection with Master Nada.... these minerals can act as receptors to Nada's energy and may be used to store the vibration of this energy flow..... These minerals may be programmed and blessed to do this..... Rose Quartz and Pink Tourmaline are well receptive here too....

Lady Nada encourages us to be non-judgmental... again this begins with the self... She asks we be aware of our self dialogue.... and asks that we speak to ourselves out of love and respect..... She encourages truth and humour in all dealings with self and others....

Rose Otto essential oil... or a good quality fragrant rose oil and Lotus are great fragrances for Nada's energy..... Wear as perfume...burn in oil burner or as incense..... Perfuming the air can raise the vibrations.... also sound for healing with Nada's presence.... soft... lyrical.....

So.... Lady Nada.... Great Feminine Aspect.... AscendedMaster*
We give Great Thanks to Thee.... You bring us Love of the most Pure....
You give us knowledge to set us free.... You illuminate our Souls.... our very Being....
You bring pink clouds and roses,
Peace beyond all words..... and a Blue Print of Life
So Perfect.... You share this with us.... And so much more.....

Thank you..... our Lady of the Pink Rose..... May we bask in your Blessings....
And rise to greet the New Dawn... Lovingly... with YOU * * * * *

NAMASTE.....
EI*
