Sacred Feminine Returns Attunement (LW™ Series)

We have had El* as our LightWorker™ system house artist for some time, before we knew that she had also made "writeups" for most of her beautiful paintings. Those writeups could easily be transformed to manuals, and the contact could equally easily be transformed to attunements. So now El* has made her attunements available for us along with these manuals. El* has a very different writing style, filled with a lot of light. I am sure that you will enjoy her attunements as well as her artwork.

All colour and design work is given to El* in the form of claircognisance. She is then told step by step - what to do and which colours to use. El* has a picture in her mind's eye. Often she will revisit some work, which she has already completed and see coded information not previously consciously noted by her. This is the way El* works - she does not necessarily grasp All at once - it is an ever evolving process for us all. The LightWorker™ manuals normally contain some nice pictures, but these series bring to you an extra dimension to the attunements, because they are enhanced through this inspired artwork. They are all provided **free of cost** and placed as a part of the ...

And more to come ...

Sacred Feminine Energy Returns.....

Pendulum swings to both sides before coming to its point of perfect balance..... As an anchor of the feminine energy being brought to the earth plane at this time in history you are being reminded of the Unconditional Love being beamed to you from interested parties from all over the known and unknown galaxies..... Many Light Frequencies surround you..... You are very blessed.

The 7 Great Rays beam to you the encoded colours of the rainbow.... Be still and know the perfect peace and feel the harmony.... the unconditional love....

As an anchor of the feminine and a LightWorker you are and will work with many who will come to you for healing and comfort.... Sharing this and your wisdom enhances the encoding that you are perceiving as memory and intuition.... You are well prepared and supported in your tasks.....

Meditate on the colours and symbols in this picture..... See the Divine in All..... At a Soul Level We are as One.... within the guidance being received now... it is the innate knowledge that the Feminine Ray is a complimentary Ray..... it is not competing with the masculine.... It is complete within itself and of itself.....It is adding great knowledge and wisdom to the world of the masculine....

In the joining of these Great Rays... is a heralding of a new thoughtform.... a oneness that is a transcending of the confines and injustice of the dualism that has been our way of thinking and action..... One does not wish to dominate.... one wishes to uphold the light within the other..... The bringing of the Purest of the Feminine Rays has been responsible for this paradigm shift... No longer is it appropriate to want to “annihilate” the opposite form.... By Loving and acceptance we are fulfilling our own wildest dreams of peace.... By cleansing ourselves of negative thought... using such techniques as the “Violet Flame”... meditation... love in it’s purest form... unconditional..... we are supporting each other to go higher..... to really reach for the Star Brothers and Sisters..... the Ascended Masters and Enlightened Ones.... the wonderful Angelics that are all reaching towards us..... Helping us find our Oneness.... with All...

Bringing in the Feminine is making us whole.... It is giving us the opportunity to go beyond the limitations of the ego states..... we are being given the great opportunity of Forgiveness..... and it is in this forgiving that we are given the greatest gift of all..... we are given Peace.... We are able to connect to this Peace... The Peace that transcends All at a deep Core Level..... The busy Beta Mind... with all it’s repetition... often negative.... is slowed..... and we are able to enjoy Brainwave states of a deep and meditative state in a far easier manner... with much easier access.... Try it as an exercise for yourself..... See if you can forgive something small at first..... allow yourself the wonder of off loading grievance.....

perceptual changes... small at first... will make their way into the Light of consciousness.... the day will be lighter.. as indeed the night..... All will be well... very well... when we make the peace of the feminine and the masculine polarities within ourselves and of others.....

Balance, is the key..... forgiveness the active door..... actively opening and showing us beyond the doorway..... Male and female as individuals are complimentary..... and aspects within ourselves of feminine and masculine energy... is also complimentary... adding to.... not taking away from.....

Being multi-dimensional and mindful of the peace that the union of these polarities bring can enable us to go about our “Work” in a manner that surpasses our dreams..... When we work co-operatively within ourself (selves)... there is no time wasted in negative thought all are working for the good of the “Whole”

We are here at this moment in linear history to play our parts well... May we do the best we can.... and lead by example..... May we live in the “Here and Now”..... having learned from past and with great hope for the Highest Good Of All for future generations.... of all kingdoms..... of all levels of being..... throughout all dimensions.... May we Live with Great Love within our hearts for all....

Be at Peace within.....El*
